Metro School SIT Meeting Plan Revised 9/11/2024

Based on feedback from the survey and previous schedule the third Tuesday of each month works better. We will also plan to meet in the afternoons. Either 1:00pm or 1:30pm. Based on feedback, the majority favor virtual meetings. Many support a hybrid model where we will meet in person and virtually. In going with the majority, we will keep our meetings virtual for the first semester and revisit the idea of meeting in person after the second semester.
