For the 2022 – 2023 school year, high school students absent from eleven class periods or more will receive a grade of F for that course ([please see policy](#)). This is not a new policy unique to Myers Park High School. It is a district policy suspended by our Board of Education in 2019 - 2021 but is now active as a policy and procedure for 2022 - 2023. This rule applies to all absences, whether excused or unexcused.

To allow teachers to better communicate the number of absences ~~students~~ need to recover, students are asked to present medical documentation or a written note from the parent/guardian stating the reason for the absence once they return to school. Documents or notes **MUST** be dropped off in the Attendance Office or emailed to [Erica Stines](#). If there are concerns with confidentiality, then the documentation can be submitted to the Counselor or School Nurse.
