

What is Canvas?

Canvas is an Online Learning Management Software Program. It is available through any web browser or as an app on your smartphone or mobile device. It streamlines classroom work to one location where teachers can post and grade assignments, and students can complete work and receive feedback from teachers. Canvas was adopted by the State of North Carolina in 2014 for all public school districts. UNCC (University of North Carolina at Charlotte), CPCC (Central Piedmont Community College), and NCVPS (North Carolina Virtual Public Schools) have also adopted the use of Canvas.
