

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Ashley Park will be implementing:

- Hiring and retaining irreplaceable teachers
- Utilizing various high-leverage strategies through CMS District
- Monthly Professional Development opportunities which enhance our teacher's strategies
- Monthly additional support of our Beginning Teachers

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of the academic expectations set for your student this school year.
- Call Mrs. Edwards at (980) 343-6018 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.

- Monitor your student's academic progress and grades through PowerSchool.
- Attend Family-Teacher meetings with your student's teacher(s).
- Keep track of our website and social media sites.
