

Uniform Guidance (“UG”) Required Contract Provisions

APPLICABILITY: UG is a set of uniform standards for award and expenditure of federal financial assistance, and applies to the purchase of apparatus, supplies, equipment, materials, services, construction and repair, and engineering/architectural services. See 2 CFR Part 200. Provided that these standards are applicable to you, by signing this signature page, you are certifying that your organization meets these requirements and that this certification, with the statutory references incorporated into each certification, on its face constitutes the “provision for compliance” for any paragraphs requiring such provision or other similar required statement, terms, or requirements.
